

Our policies regarding covid-19 and class safety

- For the fall of 2020, in person classes are held outside to the extent possible. Our primary outdoor class location is at: 12 Hanna Lane in Beacon, NY.
- We run no-contact temperature checks for each student prior to each class so we request that students show up a bit early to allow time for this procedure. Any student who exhibits a temperature of 100 or over will be asked to return home.
- We request that any student who is showing possible symptoms of covid-19 not attend class until it has been reasonably established that they do NOT have covid-19 or the flu.
- Hand sanitizer and masks are made available at all in-person classes.
- Social distancing is maintained and made possible by smaller than usual class sizes.
- For most classes teachers and students will remain masked at all times during class. For classes where children are accompanied by a caregiver teachers and caregivers will remain masked during classes.
- We constantly monitor the Beacon school district's policies and will shift in-person classes to online format if necessary.
